

Delta Healthcare Providers was created in 2007 to assist traveling physical therapists, occupational therapists, and speech-language pathologists with temporary placements at facilities around the nation. All job candidates are highly qualified and vetted through an extensive verification processes. Today, more than 300 professionals are on assignment with DHP to fulfill opportunities that range from a few weeks to a full year. The team at DHP can connect a provider with any type of facility at any time of the year — even with just a couple weeks of advanced notice.

DHP has been honored with many industry awards, including Inavero's Best of Staffing® Client Satisfaction, Best of Staffing® Talent Satisfaction, and Joint Commission certifications.

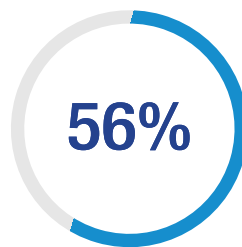

All Best of Staffing contestants went through a surveying process with Inavero, the world's leading provider of client and job candidate service quality research for staffing agencies. [CLICK HERE](#) to read more about this distinction.
